WHAT WE PUBLISH

The wide range of services, we provide, allows us to guarantee a scientist a successful publication indexed in the largest scientific databases.

If you have a ready-made text of a monograph or other scientific publication and you want to publish it, you can take the opportunity of receiving the most qualitative result for the given price.

Your proposal will be evaluated by the Editor(s) and/or an external reviewer who is an expert in the fields covered. If accepted, the final manuscript also needs the approval from the Editor(s) before it is published, to ensure the quality of each book. The cost of services is calculated individually, and there is a fee for the provision of correct editing of materials for promotion in scientific journals, including consulting. The final cost of services varies according to the volume of work and urgency.

Order the service by contacting us on the website or e-mail.

Advertising services

You can contact the Editor-in-Chief for more detailed information about the financial terms of the advertising in the journal.

We invite scientists, researchers and practitioners to cooperate!

Why electronic format?

You have the foreign publication in the shortest terms, minimum term is 1 day. You have full legal rights on the intellectual property even if it is an electronic version

You receive the electronic version of your book that has absolutely the same legal properties as a printed version. The electronic version already has all necessary requisites: Bulgarian ISBN and all output data according to the international standards

Moreover, of course, the important parameter is the cost. We offer services of the European quality at the price almost coinciding with the prices in many other countries. Therefore, an electronic format of publication is an excellent option for the favorable and quick publication
