ASSOCIATION FOR CULTURAL AND SOCIO-ECONOMIC EUROPEAN
COLLABORATION, BULGARIA**

INTERNATIONAL SCIENTIFIC AND PRACTICAL CONFERENCE

**MODERN PEDAGOGICAL TECHNOLOGIES IN FOREIGN LANGUAGE
EDUCATION: TRENDS, TRANSFORMATIONS, VECTORS OF DEVELOPMENT**

On November 25-26, 2021, the faculty of foreign languages of the Karaganda University named after academician E.A. Buketova, together with the Association for Cultural and Socio-Economic European Cooperation (Bulgaria), is holding the International Scientific and Practical Conference "**Modern pedagogical technologies in foreign language education: trends, transformations, vectors of development**", dedicated to the 30th anniversary of the Independence of the Republic of Kazakhstan. Doctoral students, undergraduates, students are invited to participate in the conference. As a result of the conference, a foreign electronic collection of materials will be published in ACCESS Press Publishing House (Bulgaria) with the assignment of DOI and ISBN. The collection will be posted on the websites of organizers and scientific libraries, including indexing in the RSCI.

The purpose of the conference: discussion of innovative processes in Kazakhstan and foreign education associated with rapidly developing pedagogical technologies, the desire to outline vectors for further development, to identify trends, aspects of transformations. Particular importance is attached to the modernization of teacher education, the exchange of innovative practices in the field of foreign language education, the expansion of international cooperation with universities and educational organizations.

The main thematic areas of the conference:

1. Modern trends in the development of foreign language education
2. Foreign language educational paradigm based on linguocultural methodology in the context of trilingualism in the Republic of Kazakhstan
3. Innovative technologies of early teaching of a foreign language
4. Competence modeling of professional foreign language education
5. Language education in the international academic space

Conference language: English.

The deadline for submission of applications and articles is until November 4, 2021.

Didactic approach to the process of communicative competence formation

Annotation

Article is devoted to studying of ... (8-10 lines)

Keywords: didactic approach, principles, communicative competence, foreign language teaching, activity, integrated teaching, individualization, communicative approach

In order to define didactic conditions, it is necessary to consider the principles of teaching foreign languages in general. In general pedagogy, the principle of learning is the main provisions that determine the nature of the learning process, which are formulated on the basis of the chosen direction and approaches corresponding to this direction. Well-defined teaching principle.... (5-7 страниц)
